PRODUCTION FINANCE DIRECTOR / PRODUCTION ACCOUNTANT / LINE PRODUCER

I am a seasoned Production Finance professional with over 15 years of managing complex television and film production budgets and teams extensively at the corporate level overseeing day to day operations, utilizing GAAP, IFRS, cash flow projections, financial reporting, internal and external audits, corporate credit card administration, tax credits and incentive programs, reporting to and working closely with CFO on forecasts, allocations, and strategies. I have years of experience working across the globe in diverse locations such as Greece, Czech Republic, Austria, Iceland, Croatia, Israel, Armenia, Turkey, South Africa, Australia, Dubai, Thailand, Cuba, Costa Rica, Mexico, Saint Barth's, Panama and Argentina. Proven expertise in staffing, hiring, training and setting up accounting teams in international locations, developing local production company and banking relationships, navigating foreign currencies, working with local productions and unions for financial compliance to ensure seamless budgeting and accounting processes. Skilled in collaborating with local production companies and teams to build strong financial infrastructures and maintain transparent reporting. Ability to adapt quickly to diverse cultural and professional environments while maintaining high standards of professionalism.
