“Starlight.” 2025. Short Film.

Daniel Kline wrote and directed the adventure, sci-fi short film “Starlight.” Yasmin J. Lee was the Art Director for this production. In pre-production, Lee came up with an inexpensive method to expand a black box theatre space to turn it into an outer space scape. By using mirrors and projectors, the stars and interdimensional travel came to life on camera.

“Starlight.” 2025. Short Film.

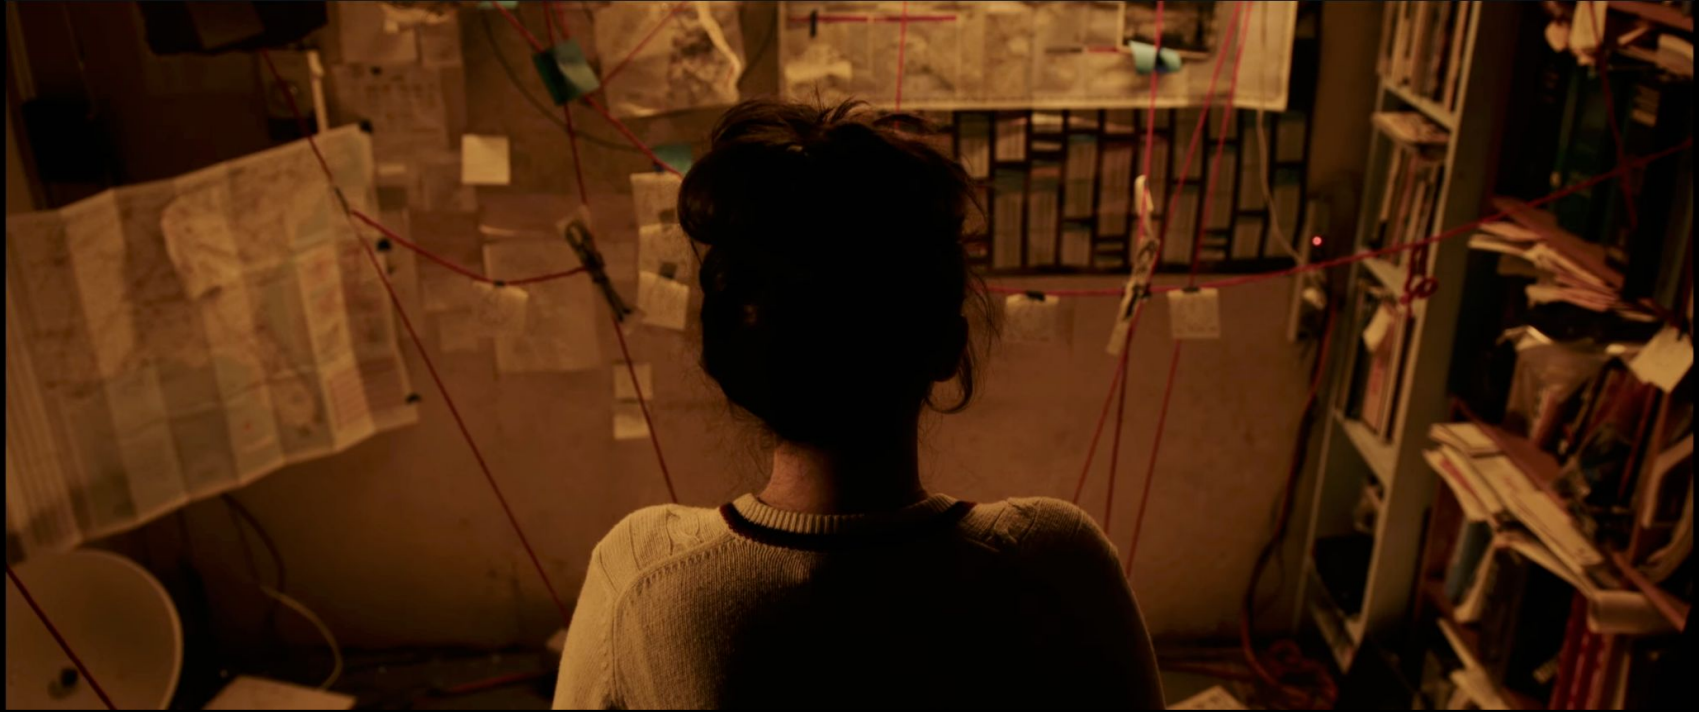

“Starlight.” 2025. Short Film.
